

This classic book has successfully trained First Responder students for over 28 years. It is the ideal resource for fire service, law enforcement, military, civil, industrial, and emergency personnel seeking clear and easy-to-read First Responder-level training. The 8th edition provides solid and thorough coverage of the First Responder National Standard Curriculum and retains features that both students and instructors have relied upon for years, including flow-of-care diagrams and a clear, straightforward reading style. For fire service, law enforcement, military, civil, industrial, and emergency personnel.
