

Cut and Run

Six years ago, witness protection marshal Roland Larson did the unthinkable: he fell in love with a protected witness, Hope Stevens, whose testimony was to put away prominent members of the Romero crime family. When Hope's plan to cut and run is interrupted by both the government and the mob, she disappears into a new identity, taking with her not only her testimony but a secret never shared with Larson. Larson, who has been looking for her ever since, is put back on her trail when the Romeros intercept the master WITSEC list from the Justice Department, and Hope is believed among the first protected witnesses to be targeted for execution. In a series of terrifying encounters, Larson matches wits with a brutally ingenious killer whose sole target is Hope Stevens. For Larson, the stakes couldn't be higher - he must find Hope in order to protect her and simultaneously prevent the mob from auctioning off the master witness protection list - an act that will put 7,000 innocent, and not-so-innocent, lives in jeopardy. Taut and edge-of-the-seat compelling, *Cut and Run* is a unique thriller that skillfully blends romance and suspense - Ridley Pearson at his heart-pounding best.

When a sailing ship faced danger and needed to depart quickly, the rigging and anchor would be cut and the ship would run with the wind. This term is the shortened form of the earlier phrases cut and run away and cut and run off. It has been suggested that it has a nautical derivation and that it cut and run or cut-and-run is an idiomatic verb phrase meaning to make off promptly or to hurry off. The phrase originated in the 1700s as describing an act.
