

## Silk Flowers & Dried Flowers 2 book first edition boxed set.

Title: Silk Flowers & Dried Flowers 2 book first edition boxed set. Publication date: 1988 Pages 144 Product Description of the Dried Flowers book: Traditional techniques in making dried flowers by hand combine with new designs in arranging to produce the finest book available on the subject. Step-by-step, easy to follow instructions make the traditional art of creating dried flowers by hand accessible to everyone. Each traditional technique is fully described; the newest methods, e.g. microwave preserving, are also covered, But its the extensive chapters on contemporary designs for arranging which make Dried Flowers stand apart. The author suggests dozens of new arrangement displays each illustrated in glowing color, suitable for special vases, baskets, or even special shapes for unusual nooks and crannies. There are, for example, designs for jugs and wash basins, Victorian cache pots, country baskets, and L-shaped arrangements. In all, 86 individual varieties are displayed in their dried state, including whole chapters devoted to wedding flowers (such as traditional brides bouquets), church flowers, bell jar displays, Easter baskets and Christmas decorations. And, there are extensive tips on caring for, preserving, and working with dried flowers. This volume comes as close to a comprehensive volume on the art and technique of dried flower arrangement and preservation as the reader is likely to find. And it has been produced to the highest standards, with full color throughout supporting the text, a full-cloth binding, and a price that costs less than the simplest store-bought wreath.
