

The Lawman of Sweetwater (Sweetwater Lawman) (Volume 1)

United States Marshal Vince Ward has left the Oregon Territory for a warmer climate and a new life. He settles in Sweetwater, Texas, a sleepy little town where nothing much happens. Or, so he thought. Since his arrival prominent officials are murdered, the bank is robbed, a notorious gang of outlaws attempts to take the town hostage, and the Texas Rangers pounce on the local government. In the mist of the turmoil, Vince finds himself dodging the affections of Sweetwaters eligible ladies. In his efforts to create a new life for himself, he gets pulled into the chaos, expected to be the voice of reason in a town desperate for order. Hes up to the challenge, but when a vengeful outlaw targets Vince, he may end up paying for it with his life.
