THE #1 KINDLE BESTSELLER IN Dark Comedy In this humorous dark comedy series you'll meet the Charons. They're your typical dysfunctional family of four of the world's best assassins. Father Michael is the former head of a covert arm of the CIA that did so many wet jobs it was code named Water Works. Mother Valerie is a legendary femme fatale whose steamy sexuality has been luring men to their demise for nearly three decades. Then there are the twins, Seth and Olivia. While barely into their twenties, they have already delivered on several high-profile contracts. Seth is very much his father's son and is calm and calculating. Olivia, on the other hand, has been out of control since she reached puberty. With a smart mouth, a Sports Illustrated Swimsuit body and the face of an angel, combined with lethal martial arts skills, she is a force to be reckoned with. In this episode, for the sake of the children, Michael and Valerie have agreed to finally tie the knot. As the blessed day approaches, a man from Valerie's past arrives on the scene with a request for help pulling off the job of the century. Between dress fittings and a bachelorette party for the ages, Olivia and Seth learn more Family Secrets than they really wanted to know.
