

## Stray Affections (Center Point Christian Fiction (Large Print))

The last thing that Cassandra Higgins expects out of her Sunday is to be mesmerized at a collectors convention by a snowglobe. She's enjoying some mommy time, with husband Ken at home tending their brood of four young boys, when she's utterly charmed by the one-of-a-kind globe containing figures of three dogs and a little girl with hair the color of her own. She can't resist taking the unique globe home even if it means wrestling another shopper for it! The beautiful snowglobe sparks long-dormant memories for Cassie, of her beloved Grandpa Wonky, the stray she rescued as a child, and the painful roots of her combative relationship with her mother, Bad Betty Kamrowski. Life in Wanonishaw, Minnesota is never dull, though, and Cassie keeps the recollections at bay, busy balancing her boys, her home daycare operation, and being a good friend to best pal Margret. But after a strange flurrious, as Cassie deems it moment happens with the remarkable snowglobe, Cassie and the people she loves are swirled into a tumultuous, yet grace-filled, and life-changing journey. With the quirky, close-knit Midwestern small-town feel that made Charlene Ann Baumbich's acclaimed Dearest Dorothy novels so popular, *Stray Affections* invites you to experience the laughter and the healing of second chances.
