

One Order of Love (Pancake Club Christmas Book 1)

Sami Burke loves all things Christmas: the music, the children's gift-drive, the parade, the program at her church, and the decorations. She especially loves the thought of winning the Christmas trophy for the Best Home Christmas Display in Mercy Ridge. This could be her year to win, if only she can come up with an idea better than Caroline Sauer, the reigning queen of yard decorations for three years running. Wayne, Caroline's husband, isn't sure how to handle himself when Caroline decides to go to Spokane for several days to shop for her display materials. He can't cook and ends up eating all his meals at Sami's diner. When he realizes he doesn't miss his wife as much as he probably should, he starts a journey of self-discovery and a second chance at love.
