

## Henri IV (Dodo Press) (French Edition)

William Shakespeare (1564-1616) est considéré comme l'un des plus grands poètes, dramaturges et écrivains de la culture anglo-saxonne. Il est réputé pour sa maîtrise des formes poétiques et littéraires; sa capacité à représenter les aspects de la nature humaine est souvent mise en avant par ses amateurs. Figure éminente de la culture occidentale, Shakespeare continue d'influencer les artistes d'aujourd'hui. Il est traduit dans un grand nombre de langues et ses pièces sont régulièrement jouées partout dans le monde. Shakespeare est l'un des rares dramaturges à avoir pratiqué aussi bien la comédie que la tragédie. Shakespeare écrivit trente-sept œuvres dramatiques entre les années 1580 et 1613. Mais la chronologie exacte de ses pièces est encore sujette à discussion. Cependant, le volume de ses créations ne doit pas apparaître comme exceptionnel en regard des standards de l'époque. Ses œuvres comprennent: Jules César (1599), Comme Il Vous Plaira (1600), Hamlet (1600), Le Roi Lear (1606) et Macbeth (1606).
