

The Road of the Sea Horse (The Last Viking Trilogy Book 2)

The giant Norse warrior-king Harald Hardrede strives to forge a mighty empire by conquering the North in the second volume of the epic Last Viking Trilogy. He is a savior to the hordes of loyal Norsemen who would gladly give their lives battling at his side and a dreaded scourge to anyone who resists his dreams of empire. Now, Harald Hardredewho, legend has it, has never been defeated in battle or sporthas returned to Norway, the land of his birth, after years of serving foreign rulers in faraway realms. The lessons of Constantinople are not lost on the giant Viking warrior, as he sets out to unite the northlands under his sole rule and create an empire to rival the great powers of Europe. Haralds task will not come easily and will demand great sacrifice, for the resisting Danes love their current king, and the proud people of the Throndehimsfjord would rather die than relinquish their cherished independence. But the fabled Lightning of the North will not be deterred, for he is determined to carve his place in history or die in the process. Multiple-award-winning author Poul Andersons thrilling three-volume series, the Last Viking Trilogy draws from Norse legend and lore to prove he is as adept at epic historical fiction as he is at science fiction and fantasy. Norways most glorious hero comes alive in The Road of the Sea Horse, a magnificent tale of war, adventure, bloodlust, and loyalty.
