

## Stepbrother With Benefits 10 (Second Season)

This is a dangerous combination, the demanding bad boy and curious good girl, but I think I can handle myself now. If not, Im sure Ill enjoy what Ethan has in mind, so... I seriously cant believe hes doing this.

----- Rule #10 I know youre a bad boy, but I want you to be my bad boy. I need you to promise that youll only be with me and that you wont hurt me... How do I explain this to Ashley? I dont know. Im not even sure I should try, because Im pretty sure Ill say something dumb. Dating is hard, alright? Maybe you think its hard to actually get someone to start dating you, but I think thats the easy part. It doesnt matter if you screw it up, because you can just move on to the next girl. When youre actually dating, though, its like... man, I cant screw this up. I cant say something stupid, because its not as easy as just moving on to the next girl. I dont want to move on to the next girl. I want to stay right here with Ashley.
